

Munich Public School Proficiency Scale

Grade 1

Mathematics

1.NBT.1

Numbers & Operations

Level 4

Complex Content

I can: Organize up to 120 objects by grouping them for easier and more accurate counting (Grouping by skip-counting amounts or tens and ones).

Level 3

Target content

I can: Count forward within 120, starting at any number.
Count backward within 120, starting at any number.
Read numerals within 120.
Write numerals within 120.
Write a numeral to match a number of objects (up to 120).

Level 2

Basic content

I can: Recognize or recall specific terminology, such as: number words (0-120)
Perform basic processes, such as:
Counting a group of objects correctly
(every object gets counted and no object gets counted more than once)
Counting from 0-120 in order, out loud

Level 1

With help, I know some of the basic content and some of the target content.
